Come and learn how to use buff willow to make 2 or 3 items suitable for Christmas. You will make the above items depending on the date you choose. Expert guidance will be given by Jovanka who is an accomplished willow weaver having made large and small sculptures over many years. One of her latest projects was bicycles for the Tour de France which passed through parts of Lancashire and Yorkshire.

You will need to bring a pair of gloves and secateurs as willow can be quite hard on the fingers. Joe’s work can be seen on [www.creativewithnature.co.uk](http://www.creativewithnature.co.uk). Tea, Coffee and biscuits will be available throughout the day but members will need to **bring a packed lunch**.
